Re: **Teacher Appreciation Week / Home and School Memberships**

This year Teacher Appreciation Week will be celebrated February 10-14. St. Andrew's Home and School volunteers have come up with some great ideas and we plan to present the teachers with special treats each day throughout the week. Among these plans, our committee wishes to invite the students to participate by designating Tuesday, February 11th, as "**Stick it to ya**" Day. Students who wish to participate may donate "sticky" supplies to their homeroom teachers in appreciation for their contribution throughout the year. Examples of appropriate donations would be items such as: a package of stickers, stampers, roll of masking tape, a glue stick, a post-it note pad etc. Students may present their "Stick it to ya" items directly to their teacher on Tuesday.

Also, St. Andrew's Home and School is collecting annual membership dues. The cost is \$5 per member or \$8 per family (where more than one parent is on a committee within the district). \$2 per membership stays within our school to support our fundraising projects. We thank all of our existing members for their continued support and invite new members to join our wonderful cause. Our upcoming Home and School meeting will be held on Wednesday March 19th at 6pm and everyone is more than welcome to attend.

Yours truly,

St. Andrew's Home and School

Please return bottom portion to the school with membership payment.
